Profile

Sarah has been practicing outpatient orthopedic physical therapy since 2020. She graduated with her Doctorate of Physical Therapy from Carroll University. Prior to IBJI, She worked at Athletico for one year. She started working at IBJI in 2022.

She has experience and has a special interest in treating work compensation, sports related injuries, and vestibular disorders. Sarah's aim is to provide patients with a comprehensive, individualized treatment plan to maximize their mobility and return patients to their everyday lives.

When she is not working, Sarah enjoys spending time with her friends and family. She also enjoys staying active by running and cooking.

Education

- Doctorate of Physical Therapy, Carroll University
