Profile

Rebecca Stec, PT, DPT graduated from Rosalind Franklin University in 2018 with her Doctor of Physical Therapy. She attended University of Minnesota - Twin Cities for her undergraduate program where she studied Kinesiology and Nutrition. Rebecca joined the IBJI team after living in the Phoenix area and has worked in a variety of clinics with emphasis in orthopedic care for patients of all ages. She has a passion for assisting her patients in reaching their own personal goals whether that is return to work or participate in a hobby. She is continuously gaining new knowledge in order to provide her patients with the best care.

Rebecca is a native of the northern suburbs of Chicago and enjoys hiking, traveling, and spending time with her family and dog.

Education

- Bachelor of Science, University of Minnesota - Twin Cities, Kinesiology and Nutrition
